Re: 579 Johnson St, W.G Cameron Building Heritage Designation

Dear Mayor and Council,

We are applying for Heritage Designation of our building at 579 Johnson St, subject to the Condition of Approval for the Development Application 579/585 Johnson St.

As you will see in the statement of significance the building has many distinguishable features. Having it designated would allow for it remain completely intact.

Thank you for considering our application.

A handwritten signature in black ink, appearing to read 'Gerald Hartwig', is written over a horizontal line.
