I support Peacock Billiards's proposal to move and expand their licensed area. It makes sense to move it, so their servers don't have to cross the non-licensed area to serve patrons in the licensed area. There is also definitely a demand for more licensed tables because it is often difficult to get a licensed table.

**Subject:** Peacock Billiards LP Area

Hi,

We understand that one of our neighboring businesses, Peacock Billiards, is looking to expand the drinking area at their establishment. I am an employee of the CIBC directly above Peacock's and we have no issues and fully support their decision to do so.

Thanks,

I feel this increase to expand the service area is warranted and I support this request for expansion. I use this facility on Wednesday evenings when I play league pool, which Peacocks Billiards, have supported over the years. They also support many community fundraisers that are of great benefit to our community!
