Subject: Regarding Proposed Changes 1046-1048 North Park Street

Hello,

My name is Patrick Foster and I am a resident of 1039 Caledonia Avenue.

As a resident of a building that is directly adjacent to the lot in question, I fully support all proposed changes, and the intention to redevelop.

Unfortunately, work precludes me from taking part in this hearing but I hope my support finds the hearing well.

Cheers,
Patrick Foster
