EXECUTIVE SUMMARY

Attached for Council's consideration is Capital Regional District Water Supply Local Service Area Establishment Bylaw, Amendment Bylaw No. 4541. The specifics to the bylaw amendments are identified in the attached CRD staff reports and accompanying attachments.

The Capital Regional District (CRD) Board is seeking municipal consent for CRD Bylaw No. 4541, a bylaw to authorize activities of the Regional Water Supply Service such as more active management of the forested water supply lands, and to update bylaw references to the *Local Government Act*.

Proposed CRD Bylaw No. 4541 does not impose any additional financial impacts than the current bylaw.

For the CRD Board to be able to adopt the bylaw, municipal consent is required from two-thirds of participants, which include: City of Colwood, City of Langford, City of Victoria, District of Central Saanich, District of Highlands, District of Metchosin, District of North Saanich, District of Oak Bay, District of Saanich, District of Sooke, Township of Esquimalt, Town of Sidney, Town of View Royal and the Juan de Fuca Electoral Area.

In addition to the municipal and Electoral Area consent, the CRD Board will also need Ministerial approval before the bylaw can be adopted.

Respectfully submitted,

Curt Kingsley
