**Subject:** RE: Food Primary Licence - Change of Hours | St. Franks - 727 Yates Street

Hi Katie,

I have reviewed this application and noted that this business has been operating with these hours and endorsements for 8 years with no issues. The location change is very close to their current location and arguably to a busier area of the same entertainment district. This does not increase the number of liquor seats in the area which should not adversely impact the community.

Based on the information provided, the police department does not oppose this application.

**Subject:** Food Primary Licence - Change of Hours | St. Franks - 727 Yates Street

Hello,

The attached application to LCRB is for Saint Franks to move to 727 Yates Street. The application is to allow for hours of service past midnight for the food primary licence. The establishment proposes hours of licenced service from 9 a.m. to 2 a.m. every day with an occupant load of 90 people. The letter of intent, floor plan, current licence, and application are attached for review and understanding of the application.

Please review and submit your comments to me by **Tuesday, April 11<sup>th</sup>**.

Review and comment by staff including Police, Bylaw, Engineering, Sustainable Planning & Community Development, and Business and Community Relations is required. The comments will support a recommendation to Council. In preparation of your comments please consider the following as requested by LCRB:

- the location of the establishment, and
- the person capacity and hours of liquor service of the establishment.

Comments should be focused to the following, also as requested by LCRB:

- The impact of noise on nearby residents; and
- The impact on the community if the application is approved.

Thank you,

**Katie Lauriston**
