RECOMMENDATION

That Council give first, second and third readings for the attached Vehicles for Hire Bylaw (#23-081) No. 24.

EXECUTIVE SUMMARY

The purpose of this report is to present amendments to the Vehicles for Hire Bylaw per direction from Council in summer 2023.

Current Bylaw language requires Council's approval to award licences. In July 2023, Council approved the following motion for staff to streamline the licencing process by authorizing the Director, Engineering and Public Works, to award licenses after a competitive procurement process. The resolution is as follows:

That Council instruct the City Solicitor to bring forward amendments to the Vehicle for Hire Bylaw to:

- a) Add more sightseeing vehicle parking stands to Schedule D as described in this report; and
- b) Delegate to the Director of Engineering and Public Works the authority to allocate parking stands in Schedule D based on a competitive process.

Staff are recommending Council approve the amendments to the Vehicles for Hire Bylaw as described in this report.

Respectfully submitted,

Ross Kenny
Assistant Director, Transportation

William Doyle
Acting Director, Engineering & Public Works

Report accepted and recommended by the City Manager.
