

Council Report

For the Meeting of December 14, 2023

To: Council **Date:** December 6, 2023
From: Shannon Perkins, Director of Bylaw & Licensing Services
Subject: Bylaw Notice Adjudication Bylaw, Amendment Bylaw (No. 3) 23-155

RECOMMENDATION

That Council give first, second and third readings for the attached Bylaw Notice Adjudication Bylaw, Amendment Bylaw (No. 3) 23-155.

EXECUTIVE SUMMARY

On September 14, 2023 Council adopted Bylaw Notice Adjudication Bylaw, Amendment Bylaw (No. 2) 23-068 to expand those bylaws which may be enforced with the Bylaw Notice Adjudication Bylaw and to enable screening officers to enter into compliance agreements.

During the preparation of an updated consolidation of the Bylaw Notice Adjudication Bylaw to incorporate Bylaw 23-068, it was noted that Bylaw 23-068 did not repeal the existing Schedule A, and was not clear that Schedules A through UU as attached to Bylaw 23-068 replaced it. There are two Schedule As, which each list different contraventions. Bylaw Notice Adjudication Bylaw, Amendment Bylaw (No. 3) 23-155 solves the discrepancies.

Respectfully submitted,

Shannon Perkins
Director, Bylaw and Licensing Services
