Re: 1326 Pandora Avenue

We are the owners of 1330 Pandora Avenue, the property immediately to the east of the subject property. We have canvassed our tenants who agree that development of the vacant lot at 1326 Pandora would be preferable to the ongoing problems associated with a vacant property.

The plans put forward by Formwell Homes are reasonable and attractive. A fourplex is consistent with the need for missing middle housing in the City.

We are supportive of the development and urge approval.

Yours truly

Penny & Stewart Johnston
