Dear Ms Conklin,

The Fairfield Gonzales Community Association Land Use Committee (CALUC) has reviewed the revised plans for the Rezoning Application for 1661/1663 Richardson St. It has decided to waive the necessity of a Community Meeting as there are not any significant changes or anything of substance to discuss with the Community. Additionally, the changes to 1661/1663 Richardson St have already been approved and completed through the City of Victoria permitting process.

Thank you,

*Joanna Fox*
