What Community Members Have to Say:

Having the support of my family advisor...I got from feeling anxiety to hope

Things felt so hopeless a year ago and now I feel I can be the Mom my kids deserve.

...the neighbourhood is blessed to have such a lovely facility and dedicated people providing great services to the public

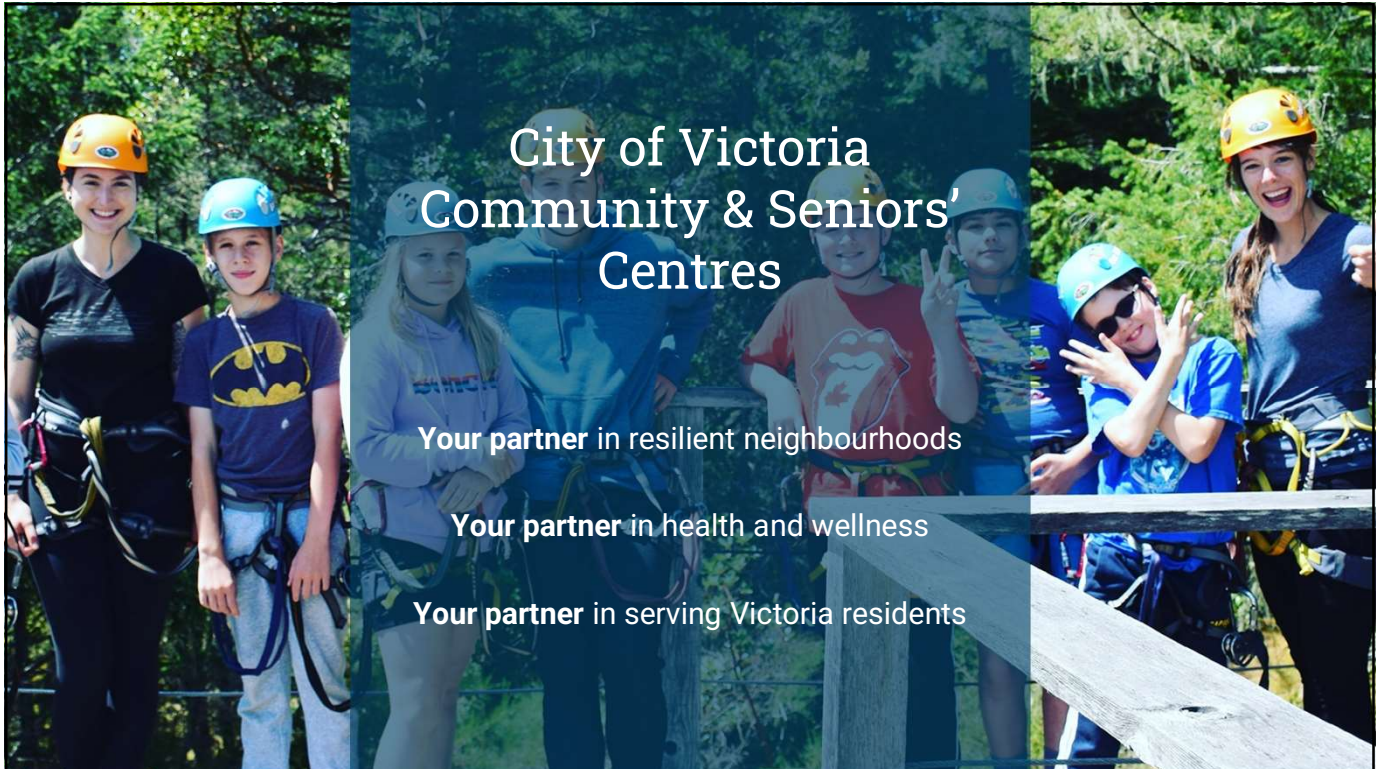

Thank you Oaklands for being an integral part of the resilience of our family!

I owe Little Acorn a debt of gratitude for all they have done in laying a solid foundation in my daughter's education

We are grateful to the FGCA for fostering a strong sense of community and connection with nature for our kids

I lost my job and was so worried about feeding my family. The support I received made a huge difference
