## Tax Exemption

1314-1318 Wharf St

Seismic Cost / property tax = Tax Exemption Term (to a maximum of 10 years)

$$\$4,339,843 / \$73,163.05 = 59.32$$

**Term = 10 years**

		<b>Eligibility Criteria for 1314-1318 Wharf St</b>
• The building must be Heritage Designated.	YES	
• Eligible alterations are limited to seismic upgrading work, associated with retaining and conserving existing heritage fabric.	YES (confirmed by 3 <sup>rd</sup> party review)	
• Construction must not commence until the TIP Application has been advanced to Council for consideration (some strip-out work may be permitted in specific cases). Retroactive applications will not be accepted.	YES	
• Proposals must retain internal structure and exterior façades of the heritage building to the highest level possible unless proven in a seismic assessment to be the only viable option for seismic upgrading and/or adaptive reuse and be verified as being necessary by an independent peer review.	YES	
• Rooftop additions must be sensitively located and smaller in scale than the existing building and are limited to 1 – 2 storeys.	NO	
• Excavation below the original building foundations is not permitted unless verified as required as part of a structural assessment	YES	
• For Residential Use TIP Applications, buildings must reuse/repurpose existing upper floors for residential use, with commercial on the ground floor. Eligible costs are limited to seismic upgrade work.	YES	
• All applications must submit a seismic assessment of the heritage building with cost estimates for the seismic upgrade strategy and clearly separate out eligible heritage costs from any new construction and/or new development costs.	YES	
• Applications not meeting the above criteria will be considered ineligible and will not be accepted. Where an application has been accepted and its status changes to make it ineligible, application processing will be stopped.	NOT ELIGIBLE
