

[illegible]

Use of these drawings is limited to that outlined in the accompanying orders. Do not correlated these basic drawings with studies "issued for construction". All drawings, plans, sections, elevations, specifications, and other documents prepared by Stanley Architecture, Inc. (SA) and used in connection with the project remain the property of SA. The drawings are to be used for the SA programs and cannot be used for any other construction from them. These drawings, or others to be used, shall be represented or used in any form in which, without the expressed and written consent of SA.
