Planning & Development Department

Green Gallery Dispensary and Wellness Centre is dedicated to the protection of medical cannabis patients. We support patients of our community who exercise their legal right to choose cannabis medicinally. Green Gallery Centre will not violate human rights by denying patients alternative medical solutions. We will continue to protect the right to choose this safe and effective medicine that is both respected and protected. We strongly disagree with the criminal element of purchasing marijuana and it is our centre's top priority to provide a safe environment where patients can have access to education and to alternative approaches in dealing with ailments and medical disorders. By signing the form below, you are NOT opposed to a responsible cannabis retailer in your community at the proposed location of 3198 Quadra St, Victoria, BC V8X 1G1:

| Name | Address | Phone | Signature |
