

## **Council Report**

**For the Meeting of November 9, 2017**

---

**To:** Council **Date:** October 27, 2017  
**From:** Jonathan Tinney, Director, Sustainable Planning and Community Development  
**Subject:** **Update Report - Development Permit with Variances No. 00034 for 515 and 533 Chatham Street**

---

### **RECOMMENDATION**

That Council replace the previous motion from October 5, 2017 with the following motion:

That after giving notice and allowing an opportunity for public comment at a meeting of Council, consider the following motion:

"That Council authorize the issuance of Development Permit with Variances Application No. 00034 for 515 and 533 Chatham Street in accordance with:

1. Plans date stamped September 21, 2017.
2. Development meeting all Zoning Regulation Bylaw requirements, except for the following variances:
  - i. Part 6.7.1 (e): relaxation to allow residential use on the ground floor
  - ii. Part 6.7.6 (1): increase the height from 15m to 19.52m
  - iii. General Regulations - Part 19: relaxation to allow more than one building on a lot.
3. Confirmation of cladding details and metal panel layout to the satisfaction of the Director of Planning and Sustainability.
4. Reconciliation of existing easements, as required to the satisfaction of the City Solicitor.
5. Council authorizing anchor-pinning into the City Right-of-Way provided that the applicant enters into an Encroachment Agreement in a form satisfactory to the City Solicitor and the Director of Engineering and Public Works.
6. Council authorizing the street level projecting canopies over the City Right-of-Way on Chatham Street and Store Street provided that the applicant enters into an Encroachment Agreement in a form satisfactory to the City Solicitor and the Director of Engineering and Public Works.
7. Final plans to be in accordance with the plans identified above to the satisfaction of City staff.
8. The Development Permit lapsing two years from the date of this resolution.
9. Registration of the following legal agreements on the property's title, to the satisfaction of City Staff:

- a. Housing Agreement to ensure that future strata bylaws cannot prohibit strata owners from renting residential strata units.
  - b. Statutory Right-of-Way of a minimum of 1.5m along the eastern property line to allow for the expansion of the through-block walkway;
10. Direct staff to undertake further discussions with the applicant regarding under-grounding electrical services on the Store Street and Chatham Street frontages of the property."

## **EXECUTIVE SUMMARY**

The proposal is for a mixed-use residential development containing a five-storey, mixed-use building with ground floor commercial uses and approximately 159 residential units above.

The purpose of this report is to provide an update on the motion moved by Committee of the Whole on October 5, 2017 (attached), and to convey the applicant's response to the requests outlined in the original motion.

With regard to the unresolved items noted in the recommendation, staff can confirm the following:

- discussions with the applicant regarding cladding details are ongoing and staff will review revised material prior to the issuance of the Development Permit
- a Housing Agreement to prevent strata councils from prohibiting rental units has been voluntarily offered by the applicant and is in progress. Revised wording is included in the recommendation to include the execution of a Housing Agreement as a condition to issuance of the Development Permit
- a legal agreement to secure public access for the walkway on the eastern edge of the property has been voluntarily offered by the applicant and is in progress. Revised wording is included in the recommendation to include the registration of a Statutory Right of-Way as a condition to issuance of the Development Permit
- discussions between the applicant, BC Hydro and staff are in progress with respect to the relocation of transformers, and the realignment or removal of over head power lines, where appropriate. It is anticipated these discussions will be ongoing, therefore this item remains in the recommendation
- incorporating larger balconies and windows has been considered by the applicant; however, no further design revisions are proposed. Rather, the applicant has noted that the provision of Juliet balconies and the scale of windows proposed is appropriate to the scale and livability of the suites. As a result, this item has been removed from the recommendation for Council's consideration.

## **CONCLUSIONS**

The items noted in the motion of October 5, 2017 have been considered by the applicant and staff recommend for Council's consideration that the application can proceed to an opportunity for public comment.

## 5. LAND USE MATTERS

### 5.3 Development Permit with Variances No. 00034 for 515 & 533 Chatham Street (Downtown)

Committee received a report dated September 22, 2017, from the Director of Sustainable Planning and Community Development regarding the Development Permit with Variances application for the property located at 515 and 533 Chatham Street. The variances are in relation to height, number of buildings on a lot and the location of residential use on the ground floor.

Committee discussed:

- Whether the pathway could be secured by a legal mechanism or council direction.
- Whether the design should go through the CALUC process.
- The look of the building and whether balconies could be a consideration in the design of the building.
- The possibility of incorporating a housing agreement to secure the units as rentals.
- Whether the parkade would be visible from the street.

*Councillor Loveday withdrew from the meeting at 9:44 am and returned at 9:46 am*

Committee discussed:

- Concerns with the break and texture of the buildings and whether the buildings could be a varied height.
- Concerns with the powerlines being attached to the building and not being located in the ground.
- Concerns with two of the buildings not being accessible.
- The location of the gates and proximity to the building.

**Motion:** It was moved by Councillor Coleman, seconded by Councillor Lucas, that subject to receipt of revised plans from the applicant addressing technical inconsistencies as required to the satisfaction of the Director of Planning and Sustainability, that Council, after giving notice and allowing an opportunity for public comment at a meeting of Council, consider the following motion:

"That Council authorize the issuance of Development Permit with Variances Application No. 00034 for 515 and 533 Chatham Street in accordance with:

1. Plans date stamped September 21, 2017.
2. Development meeting all Zoning Regulation Bylaw requirements, except for the following variances:
  - i. Part 6.7.1 (e) - Relaxation to allow residential use on the ground floor;
  - ii. Part 6.7.6 (1) - Increase the height from 15m to 19.52m;
  - iii. General Regulations Part 19 - Relaxation to allow more than one building on a lot.
3. Confirmation of cladding details and metal panel layout to the satisfaction of the Director of Planning and Sustainability.

4. Reconciliation of existing easements, as required to the satisfaction of the City Solicitor.
5. Council authorizing anchor-pinning into the City right-of-way provided that the applicant enters into an Encroachment Agreement in a form satisfactory to the City Solicitor and the Director of Engineering and Public Works.
6. Council authorizing the street level projecting canopies over the City right-of-way on Chatham Street and Store Street provided that the applicant enters into an Encroachment Agreement in a form satisfactory to the City Solicitor and the Director of Engineering and Public Works.
7. Final plans to be in accordance with the plans identified above to the satisfaction of City staff.
8. The Development Permit lapsing two years from the date of this resolution."

Committee discussed:

- Ensuring that the rentals are secured for the property.

**Amendment:** It was moved by Mayor Helps, seconded by Councillor Isitt, that the motion be amended as follows:

That subject to receipt of revised plans from the applicant addressing technical inconsistencies as required to the satisfaction of the Director of Planning and Sustainability, that Council, after giving notice and allowing an opportunity for public comment at a meeting of Council, consider the following motion:

"That Council authorize the issuance of Development Permit with Variances Application No. 00034 for 515 and 533 Chatham Street in accordance with:
