Re: Rezoning application for 304 Cook Street Liquor retail use

Your Worship and Council:

I am writing to show my support for the rezoning application to liquor retail use by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant's intent is to move its full-service liquor retail store, Cook Street Liquor for which they have operated in good faith since 2008 at 230 Cook Street to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor in its current location in the Cook Street Village has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store's unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,
Adem Tepedelen

Re: 304 Cook St

I understand that the Cook Street Liquor Store is hoping to move into 304 Cook St, the former Royal Bank building. The Cook Street Liquor Store have been good neighbours for many years. We have enjoyed working with them for many community events such as our annual Silver Bells Silent Auction. It is our pleasure to offer our support for their move to 304 Cook St.

If you have any questions or concerns about our support of our neighbor moving to this new location please do not hesitate to contact me at [REDACTED]

Hi there,

This note is in support of Cook Street Liquor's hope to move just around the corner to a better, more convenient, and I guess larger location. I'm a frequent client there, and a long time Cook Street Village patron, having lived within walking distance for over 35 years. I consider CSL to be a 'good neighbour' and an integral part of the positive vibe which is the Village.

Thank you for considering their submission.

Hello,

I wanted to write in and express my support for Cook Street Liquor's proposed move to 304 Cook Street. I think this is a great use of the space, I had been wondering what could possibly go in there. I live in the neighborhood, and utilize that liquor store as my local. I find the staff friendly and knowledgeable and they carry a great variety of products. The idea that they could have more space to expand into is wonderful.

I've also interacted with them on Facebook and they've always been professional and encouraged visiting their location in person to discuss any questions.

They're a great addition to the community.

Thanks,
Jennifer Peddle

I have lived in the Cook street village area since 1981 and so have seen many changes to the shops and development of the village. Cook Street Liquor has been a welcome and positive addition to the village to provide quality products and knowledgeable service to locals but also a business that has shown it is invested in the surrounding neighborhood.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business as well as the continued positive evolution of the village.

Sincerely,
Jennifer

Mayor and Council.

I support Cook St. Liquor's move to 304 Cook St. The store has been operating in good faith since 2008 at its present location 230 Cook St. The move to the former RBC building will allow the store street frontage, which it currently does not have, and space to adequately show case its craft beer and wine selections.

The RBC building has remained empty since October 2016. This purpose built building does not lend itself to many retail applications, due to its lack of store front windows. Cook St. Liquor is a perfect tenant for the building.

I have owned a business in Cook St. Village for almost 25 years, I can attest to the fact that the Liquor store is a vital part of the retail mix of Cook St. Village. We look forward to having them on the street front where they belong.

Your Honourable Mayor and Councillors

I am writing to you to voice my support for the proposed move of the Cook Street Liquor Store into the empty bank building on Cook Street. I think they do a stellar job at promoting local beers and wine and are good community members. I think it will just be a better store were it to be able to have more product and storage space.

Sincerely yours, Sue Brown

I am writing to voice my support for the re-zoning of the former RBC site to allow the retail sale of liquor. Cook St cellars is an amazing enterprise that really sets itself apart from many other liquor stores in Victoria. For them to be able to expand their range and increase their public profile with a greater Street frontage would only mean better things for the area and the BC businesses that sell through Cooks St Cellars.

I am a Australian citizen, native of Adelaide, South Australia, however I have spent a lot of time in Victoria, BC and an integral part of each visit has been a must visit Cook Street Cellars, to sample amazing BC craft beer!

Kind Regards,

William Ey

Dear Mayor and Council,

I am writing to voice my support for the move of Cook St Liquor to 304 Cook St. The larger space will make for a better selection and it will also be easier to access the store itself in that location. It's more likely to become a bit of a community hub or focus point, and since the liquor license already exists in the immediate vicinity, I cannot really imagine what possible objection there would be to this move.

Thank you for accepting my input,

Andrew Murray

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,
Lori Ravenstorm

Dear Mayor and Council,

I am writing in support of Cook Street Liquor's proposed move to 304 Cook Street. A larger space would give them the ability to grow their business into an even greater success than it already is. The business is a real draw for the Cook Street Village - as a craft beer connoisseur, I often come to the village just to visit them, and I would likely increase my visits if they were in a larger and more convenient location.

Sincerely,
Sean Mitchell

Hey Folks,

For what it's worth, I think the proposal to allow 304 Cook Street to house a liquor retail store is perfectly sound. Would be a good use of that property.

We live at #6 1060 Sutlej Street, Victoria.

We support the proposed zoning changes to 304 Cook Street, to permit a retail liquor store use, in the existing building.

To Mayor Helps and Council...

I just want to voice my full support in regards to the proposed changes to 304 Cook Street. I think it'll be a great new space for Cook Street Liquor! The building has been vacant for a year now so it will be nice to see some action over there.

Sincerely..Karin Knowlton
