Re: Rezoning application for 304 Cook Street – "Liquor retail use"

Your Worship and Council:

I am writing to show my support for the rezoning application to "liquor retail use" by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant's intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store's unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

Re: Rezoning application for 304 Cook Street – “Liquor retail use”

Your Worship and Council:

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

Your Worship and Council:

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

Your Worship and Council:

I am writing to show my support for the rezoning application to "liquor retail use" by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant's intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store's unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

I understand that the applicant's intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store's unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

I strongly support this rezoning

There are many reasons I support this application. Cook St. Liquor is a responsible business, locally-owned, has a wonderful mix of liquors from inexpensive to artisan and do not over-promote consumption. I heartily support this request.

Your Worship and Council:

I am writing to show my support for the rezoning application to "liquor retail use" by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant's intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store's unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

Your Worship and Council:

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature
