Re: Rezoning application for 304 Cook Street – “Liquor retail use”

Your Worship and Council:

I am writing to show my support for the rezoning application to “liquor retail use” by 3DS Ventures Inc. for 304 Cook Street. I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

Signature

Hi folks,

I support Cook St. Liquor's move to the old RBC building at 304 Cook St.

Thanks!

Re: Cook Street Liquor's proposed move to 304 Cook Street.

With the Royal Bank vacating the premise and departing the Village, I fully endorse the relocation of the Cook Street Liquor's proposed move. Retail businesses in the Village need to be seen as opposed to being found. It would be an added bonus to Cook Street Village to relocate. My request is that you find this move favourably and proceed to approve on October 26.

Garry Preston

P.S.

COOK STREET VILLAGE BUSINESS ASSOCIATION (CSVBA) FULLY SUPPORT THE RELOCATION AS WELL.

Garry Preston

Chairman CSVBA

I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,

I understand that the applicant’s intent is to move its full-service liquor retail store, Cook Street Liquor – for which they have operated in good faith since 2008 at 230 Cook Street – to a bigger, more functional and street-facing location.

For nearly 10 years, Cook Street Liquor – in its current location in the Cook Street Village – has been an asset to the neighbourhood and a good community member. Since opening in the summer of 2008, Cook Street Liquor has served the needs of the neighbourhood effectively, and it even become a destination for customers from across the island and on the mainland who are interested in the store’s unique focus on premium products, including: craft beer, carefully curated wines and locally distilled artisanal spirits. Not only does the store effectively serve Fairfield and the Cook Street Village, it brings customers into the neighbourhood who also patronize other businesses in the community hub.

I believe that the relocation of Cook Street Liquor to a more visible, accessible and suitable locale in the Cook Street Village will ensure the continued success of this popular, long-standing and community-minded business.

Sincerely,
