# **Seasonal Shelter**

## **1240 Yates St. (formerly My Place)**

With this winter expected to bring harsh conditions, we invite you to join us for an information session on a 24/7 seasonal shelter based on the model of the former My Place Transitional home.

With the support of BC Housing, we are seeking the use of the vacant building owned by the City. This 40-bed shelter will admit individuals to the program as a first step towards securing permanent housing.
