Re: Development Permit Application – 1800 Quadra Street

Your Worship Mayor Helps and Councillors;

I am a resident or business owner located on North Park Street near the Glad Tidings Church. I understand that they wish to extend their lobby so that it will create a more functional plan for the church. I understand that they require an approval for a setback variance in order to build this addition. I do not have any problems with the proposed addition and I hope that the City will support their request.
