**Subject:** Re: Proposed Changes to 3110 Doncaster Drive

We do not agree with the proposed changes. Already parking is a problem. Also the proposed edifice does not comply with the area. Doncaster Drive is a family area and the proposal does not seem to make sense.

Yours sincerely,  
Mr. and Mrs S. Jahansoozi  
1615 Clawthorpe Ave.

2/14/18.

"Concerned". Construction On Crawshaw and  
Dancaster Str.

For one thing, the have a two story Building  
on this corner would be a disaster you have the  
have space to See.

there is a lot of traffic that come down  
Dancaster Str. Plus more from Cedar Hill down  
Crawshaw to Miss March dairy. if you dont  
have a good view. "Well disaster hit"

again we have children & parent going across the  
the City Park, you need a clear view.

I would like to suggest to build a two story, "One story"  
I would still split the two houses & leave  
most land as possible around also have the  
Main entrance on Crawshaw Ave.
