To Whom It May Concern,

Fraser McColl (CC'ed) and I are owners of 836-844 Courtney Street. Our building is adjacent to the south of 821-827 Broughton. We are in support of the proposed variance (see attached). My apologies for sending this email of support after the 11:00 AM deadline of today. Hopefully there is still time to include our support.

Kind regards,

Dan Robbins, PhD
