Dear Minister Farnworth:

Re: Revenue from Cannabis Sales – Equitable Share between Province and Local Government

As expressed by other local governments, the City of Enderby strongly supports the sharing of revenue generated by the sale of cannabis with local government.

The legalization of cannabis will result in additional costs for local government. The financial impact on local governments include social services, land use, planning, business licensing, bylaw enforcement, and fire services.

The City of Enderby respectfully requests that the Province agrees to share at least 50% of its cannabis-related revenues with local governments. This will help local governments offset some of the costs associated with legalization and ensure that taxpayers, and the local government programs they rely on, are not unduly burdened by this decision.

Sincerely,

Greg McCune
Mayor
