MAYOR'S OFFICE

Monday, August-21-17

Dear Mayor Helps,

We are so pleased to collaborate in hosting the first City of Victoria Orange Shirt Day on September 30th. We are working with another community partner, Bridges for Women Society, who will assist with volunteers and trauma counsellors at the event. We have drafted a budget that will help us to bring Local First Nations elders, First Nations dignitaries and a first Nations performer, Luke Dandurand to the event. We have included in the budget amounts that are standard practice for local First Nations elders and dignitaries to receive in honoraria or "handshakes". We have also included a budget for traditional gifts, shirts for volunteers, and medicines and tobacco.

We are also hoping to work with the city to ensure that the space for the event has: Sound (microphone, speakers, and podium), two tents – standard size, one for elders and one for orange shirts and volunteers, a small number of chairs for elders and dignitaries (20) and two tables, one for each tent. We would also like to ask the city to arrange for parking (spaces or passes) for our elders and key organizers to be able to park close by.

We look forward to speaking with you and/or Danielle about how to support this event and make it a success. Please contact us through at kristinspray@yahoo.com or via telephone at (250) 888-1126.

Huy Chqu,

 
Eddy Charlie and Kristin Spray

Orange Shirt Day 2017
