

## **Committee of the Whole Report**

### **For the Meeting of June 22, 2017**

---

**To:** Committee of the Whole **Date:** June 8, 2017

**From:** Jonathan Tinney, Director, Sustainable Planning and Community Development

**Subject:** Rezoning Application No. 00577 for 541 Herald Street

---

### **RECOMMENDATION**

That Council instruct staff to prepare the necessary Zoning Regulation Bylaw Amendment that would authorize the proposed development outlined in Rezoning Application No. 00577 for 541 Herald Street, that first and second reading of the Zoning Regulation Bylaw Amendment be considered by Council and a Public Hearing date be set.

### **LEGISLATIVE AUTHORITY**

In accordance with Section 479 of the *Local Government Act*, Council may regulate within a zone the use of land, buildings and other structures, the density of the use of the land, building and other structures, the siting, size and dimensions of buildings and other structures, as well as, the uses that are permitted on the land and the location of uses on the land and within buildings and other structures.

### **EXECUTIVE SUMMARY**

The purpose of this report is to present Council with information, analysis and recommendations for a Rezoning Application for the property located at 541 Herald Street. The proposal is to rezone from the CA-3C Zone, Old Town District, to a site-specific zone in order to allow for the retail sale of cannabis.

The following points were considered in assessing this application:

- the proposal is consistent with the Core Historic designation in the *Official Community Plan*, 2012
- the proposal is consistent with the Historic Commercial designation in the *Downtown Core Area Plan*
- the proposal is consistent with the *Storefront Cannabis Retailer Rezoning Policy*, as there are no schools or permitted storefront cannabis retailers within 200m; however, an application for 543 Herald Street has been received by the City.

## **BACKGROUND**

### **Description of Proposal**

This Rezoning Application is to allow for the retail sale of cannabis in an existing building. No alterations to the building are proposed. The following differences from the standard zone are being proposed and would be accommodated in the new zone:

- storefront cannabis retailer would be a permitted use
- only one storefront cannabis retailer would be permitted to operate on the property at a time
- storefront cannabis retailer would be restricted to a maximum floor area of 200m<sup>2</sup>, which is in keeping with the size of the existing operation.

All other requirements within the CA-3C Zone, Old Town District remain the same.

### **Sustainability Features**

The applicant has not identified any sustainability features associated with this proposal.

### **Active Transportation Impacts**

The applicant has not identified any active transportation impacts associated with this application.

### **Public Realm Improvements**

No public realm improvements are proposed in association with this Rezoning Application.

### **Land Use Context**

The subject property is located within Chinatown. The area is characterized by low-rise brick buildings, many of which are heritage designated, with retail and restaurant uses on the ground floor and residential uses on the upper floors.

### **Existing Site Development and Development Potential**

The site is presently a two-storey building with a large private surface parking lot. Under the current CA-3C Zone, Old Town District, the property could be developed up to a height of 15m with a maximum floor space ratio of 3:1. A variety of commercial uses, with residential uses on the upper storeys, are permitted in this zone.

### **Community Consultation**

Consistent with the *Storefront Cannabis Retailer Rezoning Policy*, the requirement to arrange and participate in a Community Association Land Use Committee (CALUC) Community meeting is waived unless the application involves construction of a new building; however, the application was referred to the Downtown Residents Association CALUC. Also consistent with the Policy, the application has been referred to School District No. 61 and the Victoria Police Department. At the time of writing this report no comments had been received.

## ANALYSIS

### Official Community Plan

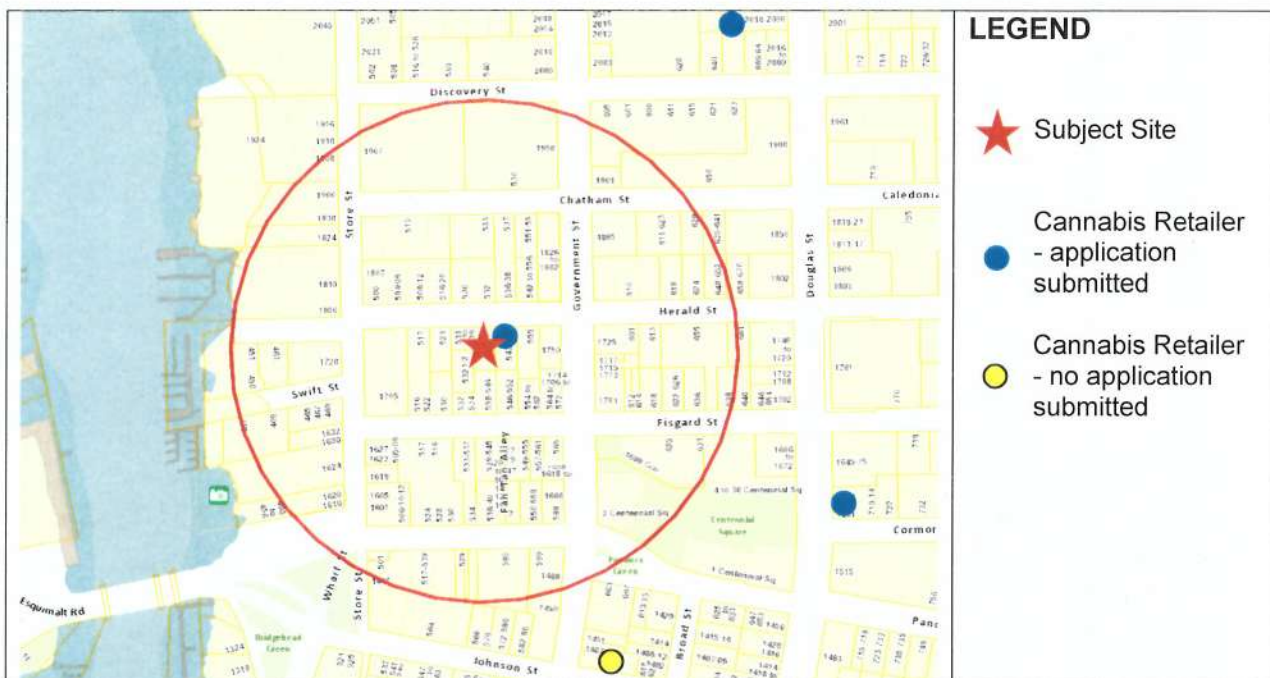

The *Official Community Plan*, 2012 (OCP) identifies this property within the Core Historic urban place designation, within which at-grade commercial uses, including retail, are envisioned.

### Local Area Plans

The *Downtown Core Area Plan* identifies the property within the Historic Commercial designation, within which a range of active commercial uses such as retail stores are envisioned.

### Storefront Cannabis Retailer Rezoning Policy

The application complies with the *Storefront Cannabis Retailer Rezoning Policy* and was one of the sites identified as operating as a storefront cannabis retailer at the time of Council adopting the regulations and policy framework related to cannabis. No schools or permitted storefront cannabis retailers are within 200m of the property at the time of writing this report; however, there is an application currently under review at 543 Herald Street, which is directly adjacent the subject property.

## CONCLUSIONS

This proposal to permit the storefront cannabis retailer use is consistent with the *Official Community Plan* and the *Downtown Core Area Plan* in accommodating commercial retail uses fronting the street. The proposal does not have any schools or permitted storefront cannabis retailers within 200m of the property.
