Memo

Date: February 6 2017
To: Fraser Work
From: Bronwyn Crowder
Department: Engineering & Public Works Department
Regarding: Traffic Orders

Attached is a list of thirty-five (35) Traffic Orders. Traffic Orders are initiated by letter or petition request from the public and evaluated by staff for safety, consistency, and customer service. Where a proposed change to street use has an effect on adjacent properties, a petition or notification is normally required.

The traffic order recommendations by staff have been reviewed by the Manager of Transportation, and are submitted for your consideration and approval.

Respectfully submitted,
