**Re: Off Leash Park at Fisherman's Wharf Park between 6:30 and 8:30am and 5:30 and 6:30pm Daily**

Dear Mayor Helps and City Council;

As a pet friendly business in the City of Victoria we have a number of guests who bring their dogs to our hotel. We promote that we are pet friendly and believe that it would be good for our business and the our city to allow for an easy to access off leash dog area that is in James Bay and close to the downtown core.

We would definitely support the use of Fisherman's Wharf park between 6:30 and 8:30am and 5:30 and 6:30pm daily. This would allow us an answer to any questions that arise from customers looking to get their pets exercise while visiting Victoria.

Thank you for your help in making this happen.

Sincerely,

Judy Elder, Executive Assistant Manager, Capital Projects
