Subject: Zambri's Liquor License

Hi, I'm writing with regards to the Zambri's application to amend its liquor license.

I am a frequent patron of Zambri's, and I work in the same building, at Habit Coffee. I have no conflict of interest with Zambri's.

I believe implementing their proposed amendment would benefit the neighboring area. They are a responsible and community-oriented business; allowing patron participation would make this area of downtown even more vibrant. I do not believe it poses a significant risk of creating disruptions.

Thanks for your time.
Nick Picard

Re: Application to Amend Food Primary – Zambris Restaurant

Dear Manager Bylaw and Licensing Services,

The DRA Land Use Committee has reviewed the application to amend the Food Primary Licence for the Zambris Restaurant. The scope of changes are restricted to the existing licence and involve addition of an entertainment endorsement only.

Feedback from the committee is as follows:

- The requested amendments are in keeping with many other operations in the vicinity.
- The establishment is in a secured building with no residences.
- There are no changes in operating hours requested so impacts are expected to be minor.

The DRA LUC generally supports this proposal.

Sincerely,

Ian Sutherland
Chair Land Use Committee
Downtown Residents Association
