

ENVIRONMENTAL ASSESSMENT OF TRANS MOUNTAIN EXPANSION PROJECT
City of Victoria

WHEREAS the Environmental Assessment Office of the Province of British Columbia (“the EAO”) entered into an Agreement in 2010 with the National Energy Board (“NEB”) under which the EAO accepts that the NEB assessment of a pipeline constitutes the equivalent of an assessment under the British Columbia *Environmental Assessment Act*;

AND WHEREAS Trans Mountain’s responses to motions filed in early July 2014 by intervenors in the NEB hearing process for the Trans Mountain Expansion Project demonstrate that Trans Mountain is failing to adequately respond to written information requests, which are the only opportunity for intervenors to test and clarify Trans Mountain’s evidence;

AND WHEREAS this failure to respond to written information requests means that intervenors are not able to properly prepare their own evidence and participate meaningfully in the assessment process for the Trans Mountain Expansion Project, in contravention of the preamble to the Agreement, which states that any assessment of a project pursuant to the *National Energy Board Act* would take into account any comments submitted during the assessment process by the public and Aboriginal peoples;

THEREFORE BE IT RESOLVED that the UBCM request that the Province direct the EAO to withdraw formally from the Agreement pursuant to Clause 6 thereof and undertake its own Environmental Assessment process for the Trans Mountain Expansion Project, which should include sufficient opportunity for meaningful participation by all interested British Columbians.
