Re: Checkout Bag Regulation Bylaw – City of Victoria Draft Bylaw

Thank you for your letter of November 2, 2017 encouraging Council to consider single-use checkout bags Regulation Bylaw.

Your letter was discussed at the Regular Meeting of Council held on November 14, 2017. At the same meeting Council also reviewed the Capital Regional District's staff report and draft model bylaw for single use plastic bag ban.

Please be advised that Council passed the following resolution at that meeting:

"That Council direct staff to adapt the CRD Draft model bylaw for single-use plastic bag ban to Colwood and bring it forward for consideration."

As a result of this direction, no action will be taken on the City of Victoria's draft bylaw to regular checkout bags.

Sincerely,

Marcy Lalande  
Administrative Assistant IV
