Dear City of Victoria

I am writing in response to notification concerning changes to the zoning at 950 Yates Street. I own two condos in "The Manhattan" and am somewhat concerned as to whether the environment in the neighborhood will be degraded in any way. Would this devalue properties in the area? How might this change affect tenants. I will try to find out more information via Development Tracker. I would appreciate it if you would not publish this email address.

Thank-you
