Concerning the rezoning application of 695 Alpha Street from the C-1 Zone to C1-CC Zone.

Dear Council,

As a home owner in the neighbourhood, I'm writing to **support** the proposed zoning regulation by-law change.

I believe that this will:

1. Increase tax revenues received by this business which can be used for improvements in the area;
2. Help de-stigmatize the use of marijuana by professionals who have a variety of mental and physical health issues that can be helped by the use (consumption or smoking) of marijuana; and
3. Prevent funds from getting into the hands of criminals which can often be used to support other, and often more, dangerous drug businesses.

Thanks for your time,
