**Subject:** 695 Alpha St. Zoning Regulation Bylaw, Amendment Bylaw (No. 1089) No. 17-026

To whom it may concern:

My name is Dr. Stephen Taylor. I am the owner of the Mayfair Optometric Clinic located at 3196 Douglas St. I am in receipt of the notification of the proposed bylaw amendment in regards to 695 Alpha St. allowing a storefront cannabis retailer.

Initially, there was concern when a cannabis retail store came into the neighbourhood but those fears have been allayed during the last number of months as we have had the opportunity to observe the actions of this business. The grounds and property are very clean and there appears to be no loitering or increase of consumption of their product on their grounds or the immediate area. Assuming these observations remain into the future I see no reason to deny the amendment to the bylaw and I support such a change.

Sincerely,  
Dr. Stephen Taylor
