Dear Sir or Madam;

In regards to the development on Yates & Johnson St., I am okay with a 10 storey plan, but definitely do NOT want anything taller.

Please keep my email & phone number confidential.

Thank you,

~Gayle da Costa

Subject: support for Chard

Dear Mayor and Council,

I am contacting you to express my support for Chard Development's proposed development at 848 Yates Street. I am a business and property owner at 834 Johnson and Victoria resident. I strongly believed that the added residential and retail space will provide much needed housing as well as additional vitality to this block which in the past year has unfortunately has suffered some setbacks specifically the block of Johnson Street between Blanshard and Quadra. I believe additional eyes on the street, foot traffic, and viable housing/businesses will make this block of Johnson Street more than a vital artery out of town. As a member of this community, I encourage council to support this application.

Sincerely,
Karina
