To: Victoria City Council

We live in a condo in the Belvedere, at 788 Humboldt St.

We are heartily in favour of the proposal to rezone 701 Belleville Street to permit seniors housing for independent and assisted living uses. We also favour the related changes to increase the permitted building height, the permitted density, and the required setbacks. We believe this would be an excellent use of that space, and a welcome addition to the stock of seniors accommodation close to the downtown core.

We will follow this application closely.

Yours truly,
Karen and Steve Sharlow
