Dear Honorable Mayor Helps :

I hope you are doing well and I wish you continued success and prosperity.

I greatly appreciate your hospitality for our junior high school delegation program at the courtesy call and accepting our program from 29th October to 5th November.

On 5th November, the students came back to Morioka with thousands of new experiences of making new friends and new families in Victoria with memories of beautiful nature of Victoria and knowledge of different culture.

In regard of success of this program, I would like to extend my appreciation to you and everyone involved who strongly supported us by understanding mutual communication. As a representative of Morioka International Relations Association, I would like to enclose my appreciation, wishing your happiness and prosperity.

We hope you have a chance to visit Morioka someday soon.

Sincerely yours,
