Dear Mayor Helps:

As you may know, over the last several months, Minister Stone and I met with a number of stakeholders across the province to discuss the challenges and opportunities of ride sourcing in British Columbia's passenger transportation sector.

Through these consultations, we heard a range of valuable comments and recommendations, which are reflected in the enclosed Stakeholder Engagement Summary for your review. Please note that the themes and recommendations outlined in this report reflect the views of those who provided feedback, and do not reflect a provincial position.

The feedback we receive will help to inform any decisions that our government may make with respect to this important issue. If you have any comments on the findings of this consultation, please email them at: RideSourcing@gov.bc.ca.

Sincerely,
