Subject: Thank you for your submission - City of Victoria - Address Council Form

Name: Martha Menzies

Date: February 17,
2016

Address: 1461 Pembroke St. Victoria B.C. V8R 1V7

I wish to appear at the following Council meeting: February 25, 2016

I represent: Self

Topic: B.C Transit and Commercial On-Street Terminal

Action you wish Council to take:

Reject the proposed options for the 700 block Douglas as it is completely wrong to expect that Historical part of Victoria, already overburdened with buses, tourists, pedi cabs, bikes, tourist buses, taxis, noise, diesel fumes, to move onto the street. Council should reconsider further options for that bus terminal. Reject all options of BC Transit's Layovers and Turnarounds, all which would be a BLIGHT on Our Historical Neighbourhood which is also The Necklace of Pearls according to Victoria History. Toxic effects like air and noise pollution along with reduction of Property Values in The Humboldt Valley at Lux. Condos owned by Victorians who trusted City Hall to maintain liveability and safety in this upscale historical neighbourhood, will be the end result if an area outside of Downtown is not found for BC Transit.
