Subject: Rezoning Application No. 00496

To whom it may concern.

Regarding the development permit for 1122 and 1124 Leonard St. to wit rezoning from R1-B Zone to R2-52 Zone with additional application for variances as written in the notice of public hearing, my wife and I as property owners of 1141 May Street wish to go on record as opposing the application for a reduction in the side setbacks.

Thank you for this opportunity to express our views.
