
Community Emergency Preparedness Fund Emergency Operations Centres & Training

2018 Program & Application Guide

1. Introduction

The [Community Emergency Preparedness Fund](#) (CEPF) is a suite of funding programs intended to enhance the resiliency of local governments and their residents in responding to emergencies. Funding is provided by the Province of BC and is administered by Union of BC Municipalities (UBCM).

The funding streams include:

- Emergency operations centres and training
- Emergency social services
- Evacuation route planning
- Flood risk assessment, flood mapping and flood mitigation planning
- Structural flood mitigation

Background

An Emergency Operations Centre is a physical location where representatives come together during an emergency to coordinate response and recovery actions and resources, support emergency response personnel in the field, and coordinate all official communications regarding the emergency.

Under the *Emergency Program Act*, municipalities, First Nation communities and regional districts are responsible for responding to emergencies in their area.

Emergency Operations Centres & Training Program

The intent of this funding stream is to support the purchase of equipment and supplies required to maintain or improve Emergency Operations Centres (EOC) and to enhance EOC capacity through training and exercises. Ongoing operational costs are not eligible.

2. Eligible Applicants

All local authorities (as defined by the *Emergency Program Act*) and Treaty First Nations (as defined by the *Interpretation Act*) in BC are eligible to apply.

Eligible applicants can submit one application per funding stream per intake.

3. Eligible Projects

In order to qualify for funding, applications must demonstrate the extent to which proposed projects will maintain or improve EOCs and/or enhance EOC capacity.

In addition, to qualify for funding, projects must be:

- A new project (retroactive funding is not available)
- Capable of completion by the applicant within one year from the date of grant approval
- In alignment with [Emergency Operations Centre Operational Guidelines \(2nd Edition\)](#)

4. Eligible & Ineligible Costs & Activities

Eligible Activities & Expenditures

Eligible costs are direct costs that are approved by the CEPF Evaluation Committee, properly and reasonably incurred, and paid by the applicant to carry out eligible activities. Eligible costs can only be incurred from the date of application submission until the final report is submitted.

Eligible activities must be cost-effective and may include:

- Purchase of equipment and supplies to maintain or improve EOCs (e.g. information technology, communication systems, generators, etc.)
- Training and exercises to increase EOC capacity
- Establishing public emergency communications systems or programs

The following expenditures are also eligible provided they relate directly to the eligible activities identified above:

- Consultant costs
- Applicant staff and administration costs
- Public information costs

Ineligible Activities & Expenditures

Any activity that is not outlined above or is not directly connected to activities approved in the application by the CEPF Evaluation Committee is not eligible for grant funding. This includes:

- Routine or ongoing operating costs
- Use of an EOC during an emergency

5. Grant Maximum

The Emergency Operations Centres & Training program can contribute a maximum of 100% of the cost of eligible activities to a maximum of \$25,000.00.

In order to ensure transparency and accountability in the expenditure of public funds, all other grant contributions for eligible portions of the project must be declared and, depending on the total value, may decrease the value of the grant.

Review of Applications

UBCM will perform a preliminary review of applications to ensure the required application elements (identified above) have been submitted and to ensure that basic eligibility criteria have been met. Only complete application packages will be reviewed.

Following this, the Evaluation Committee will assess and score all eligible applications based on the funding priorities. Higher application review scores will be given to applications that:

- Clearly demonstrate how EOCs will be maintained or improved and/or demonstrate that EOC capacity will be enhanced
- Consider mass care scenarios
- Support recommendations or requirements identified in the local Emergency Plan
- Demonstrate transferability to other local governments and Treaty First Nations in BC
- Include in-kind or cash contributions to the project from the eligible applicant, community partners or other grant funding
- Are cost-effective

The Evaluation Committee will also consider the location of each application in order to ensure a balanced representation of projects across the province.
