

Council Report

For the Meeting of January 14, 2016

To: Governance and Priorities Committee **Date:** January 7, 2016
From: Chris Coates, City Clerk
Subject: New Council Procedures Bylaw

RECOMMENDATION

That Council give three readings to the Council Procedures Bylaw attached to this report as Appendix B.

EXECUTIVE SUMMARY

Current procedures governing the proceedings of Council and Council committees are established under the City's Council Bylaw. On December 18, 2015, Council approved a number of recommendations resulting from a review of City governance, which included the following changes to the Council Bylaw:

- changing the start time for Council meetings to 6:30 p.m.
- allowing up to six requests to address Council as the first substantive item of business on the Council agenda
- updating the reference to the current version of Robert's Rules of Order
- removal of the requirement that limited electronic participation in a Council meeting to Council members conducting City business or representing the City elsewhere, and
- removal of section 12 and other legislative repetitions in the bylaw.

Those changes have been incorporated into a proposed new Council Procedures Bylaw. The purpose of this report is to obtain Council approval of this proposed bylaw.

PURPOSE

The purpose of this report is to obtain Council approval of a new Council Procedures Bylaw.

BACKGROUND

Section 124(1) of the *Community Charter* states that Councils must, by bylaw, establish the general procedures to be followed by Council and Council committees in conducting their business. At a minimum, the bylaw must do the following:

- establish rules of procedure for Council meetings, including the manner by which resolutions may be passed and the manner by which bylaws may be adopted
- establish rules of procedure for meetings of Council committees

- provide for the taking of minutes of Council meetings and Council committee meetings, including requiring certification of those minutes
- provide for advance public notice respecting the time, place and date of Council committee meetings and establish the procedures for giving that notice
- identify places that are to be public notice posting places for the purposes of section 94 of the *Community Charter* [public notice]
- establish the procedure for designating a person under section 130 of the *Community Charter* [designation of member to act in place of the mayor], and
- establish the first regular Council meeting date referred to in section 125 (1) of the *Community Charter* [council meetings] as a day in the first 10 days of November following a general local election.

A bylaw under section 124 must not be amended, or repealed and substituted, unless Council first gives notice in accordance with section 94 of the *Community Charter*, describing the proposed changes in general terms.

Current procedures governing Council and Council Committees are established under the City's Council Bylaw. On December 18, 2015, Council approved a number of recommendations resulting from a review of City governance. The following recommendations require changes to the Council Bylaw:

- that Council approve, on a trial basis, Council meetings beginning at 6:30 p.m., that the first substantive item of business are up to six requests to address Council and that everything else be placed in the usual order
- that the Council Bylaw be amended to remove section 12 and other legislative repetitions in the Bylaw and that staff prepare a companion document to the Bylaw containing the information removed in order to continue to provide quick reference to this information
- that the Bylaw be updated to utilize the current version of Robert's Rules of Order, and
- that the Council Bylaw be amended to remove section 15(2)(b) regarding eligibility to participate electronically only while attending City business elsewhere.

The relevant excerpt from the draft minutes of that meeting is attached as Appendix A.

ISSUES & ANALYSIS

Bylaw Changes

In preparing the bylaw amendments directed by Council, staff identified an opportunity to bring forward a new bylaw, which would allow for a number of other minor changes and an improvement in overall readability and clarity of the bylaw requirements. The proposed new Council Procedures Bylaw attached as Appendix B incorporates the following changes:

1. Appointment of Directors to the CRD Board changing to strictly an indicative election process – see section 5 of the proposed bylaw.
2. Council meetings to start at 6:30 p.m. – see section 7(1) of the proposed bylaw.
3. Updating the reference to the current version of Robert's Rules of Order – see section 10 of the proposed bylaw.
4. Minors changes to the order of Business for Council Meetings – see section 15(1) of the proposed bylaw. Changes include up to six requests to address Council before any public hearings and the placement of "New business" before "Question Period."

5. Requiring time specific extensions after 11:00 p.m. – see section 28(2) of the proposed bylaw.
6. Establishing the start and end times for Committee of the Whole as 9:00 a.m. and 2:00 p.m., respectively – see section 40 of the proposed bylaw.
7. Establishing the Order of Business for Committee of the Whole as a Committee of Council – see section 41 of the proposed bylaw.
8. Removal of the requirement that limited electronic participation to Council members conducting City business or representing the City elsewhere.
9. Removal of section 12 and other legislative repetitions in the bylaw. In addition to section 12, which related to closed meetings, a number of other sections in the current bylaw repeated provisions from the *Community Charter* on topics including:
 - power and duties of the mayor
 - responsibilities of Council members
 - special Council meetings
 - presiding at meetings
 - quorum
 - voting
 - witnesses at meetings
 - composition of standing and select committees, and
 - notice for bylaw amendments.Those sections have not been incorporated into the proposed new bylaw. Sections that were not carried forward from the current bylaw are included in Appendix C.
10. Updating the date of the Inaugural Council Meeting to the first Thursday in November, in keeping with recent changes to local government election dates.
11. Other minor and housekeeping changes to improve readability and clarity of the bylaw. Sections have been reordered to improve readability of the bylaw. Sections outlining the rules of procedure for Council committees have been revised to improve clarity – see sections 42 and 47 of the proposed bylaw.

Public Notice

As required under section 94 of the *Community Charter*, public notice of the proposed bylaw changes has been provided via notices published once each week for two consecutive weeks in both the Times Colonist and the Victoria News. Notice was also posted at both public notice posting places at City Hall. No concerns with the proposed changes have been expressed by members of the public.

Next Steps

As directed by Council, a companion document is being prepared, which will be a reader-friendly guide to the conduct of Council and committee meetings. The document will be structured in a question and answer format, and include information both from the proposed Council Procedures Bylaw, as well as other relevant information from the *Community Charter*.

OPTIONS & IMPACTS

2015 – 2018 Strategic Plan

The proposed new bylaw supports Objective 1: Innovate and Lead from the 2015 – 2018 Strategic Plan. One of the 2015-2018 Outcomes under that objective is that "Council's governance structure reflects its strategic objectives."

Impacts to 2015 – 2018 Financial Plan

The new bylaw will have no impacts on the 2015-2018 Financial Plan.

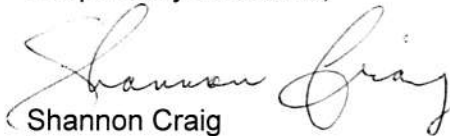

Official Community Plan Consistency Statement

Council governance and procedures are not addressed in the Official Community Plan.

CONCLUSIONS

A new Council Procedures Bylaw has been developed to incorporate direction provided by Council during a December 2015 review of its governance structure. Bylaw amendments were required in order to support several of the changes directed by Council. In preparing those amendments, staff identified an opportunity to bring forward a new bylaw, which would allow for a number of other minor changes and an improvement in overall readability and clarity of the bylaw requirements. To assist with public, staff and Council understanding of Council and committee meeting procedures, a separate reader-friendly companion document is also being prepared.
