**Topic:** Volunteer engagement in Victoria's Parks

**Action you wish Council to take:**

I am excited to share information about our fairly new environmental volunteer group who have been helping all municipalities (not yet including Victoria over the past year with volunteer engagement in parks, urban farms and beaches. I want to extend our program into Victoria as many of our volunteers are from Victoria and wish for Council to learn about the opportunities we have for the community of Victoria. I would like to hear from Council as to how to organize activities in Victoria's parks starting in 2016. Please check out what we have been up to on our site: <http://www.meetup.com/Greater-Victoria-Green-Team/>
