Address: N1102 - 737 Humboldt Street, Victoria BC V8W 1B1

Action you wish Council to take:

That Council: • not endorse the current BC Transit proposal; • amend the motion to ensure a comprehensive, transparent consultation process which considers alternative locations for the displaced intercity bus terminal; • direct the proponents to explore more fully options to relocate the intercity bus terminal to an off-street location with less negative impact on historic district and local community; and • in the interests of transparency, disentangle the components of the current omnibus proposal to separate the intercity bus terminal location, proposed BC Transit route changes and new transit layover area on Government Street, and proposed additional stops for Airporter and Hotel shuttle buses; and • in the interim, retain the existing local transit bus stops.
