

- #0248-15 50. Councillor Alty moved,
Councillor Bussey seconded,

WHEREAS the Truth and Reconciliation Commission (TRC) was created as part of the settlement agreement between the Federal Government, the churches and survivor parties to the Indian Residential Schools Class Action Settlement Agreement to determine the truth about Canada's Indian residential schools and establish a reconciliation process;

AND WHEREAS over the course of the last six years, the TRC researched official records and visited communities across Canada to hear from thousands of residential school survivors and their families about the impacts of residential schools and colonization;

AND WHEREAS the findings of these investigations are summarized in the TRC's Final Report, released June 2, 2015, and include 94 recommendations for action by all levels of government;

AND WHEREAS the TRC has put a call to action to government stating "that knowing the truth about what happened in residential schools in and of itself does not necessarily lead to reconciliation" and many of the recommendations in the TRC final report are actionable by the City and our municipal government partners;

NOW THEREFORE BE IT RESOLVED THAT staff report back to Council, no later than September 30, 2015, with recommendations on how to move forward on the actions recommended by the Truth and Reconciliation Commission which are within the City's jurisdiction to act.
