Subject: Variance Application No.00154 - 1610 Hillside Avenue

I am a home owner at 216 - 1525 Hillside Avenue. I live across the street for Hillside Mall at 1610 Hillside Avenue and have no problem with the proposed application for two signs advertising Canadian Tire. It is a commercial mall and tenants should have the right to put up a sign to acknowledge their business premise is located on that property.
