Registered under the Society Act or registered Charity?	1118 Princess Ave, Victoria, BC V8T1L3				
Project or program title: Indigenous Planting, Natural Playscape Which guidelines does this project or program fall under? Boulevard Gardening Guidelines Community Garden Policy Is this project in compliance the Boulevard Gardening Guidelines or Community Garden Policy? Yes No Description of the project or program and why the grant is needed, and how it aligns with or supports the enhancement and steward of public spaces, green spaces, and food systems strategic plan objective. A Natural Playscape and learning space is currently being built at the South East corner of the school field. This is an area accessible to the public and to the children of the school, and it is also well-used by private daycares that are located nearby. The Parents Advisory Council would like to support the project and applying for this grant would allow us to provide indigenous plants to be planted around the perimeter of the Natural Playscape. The space is designed to enhance our ability to teach the children about indigenous plants, stewardship, and food systems. How many people will benefit from the project or program? 500+ Percentage of Greater Victoria Residents? 50% What target audience will benefit? school children, residents of the area SECTION 4. PROJECT OR PROGRAM FINANCIAL INFORMATION	Contact Person: Leslie Lee Email: Ilee@sd61.bc.ca Te	elephone: (250) 385-3381
