Re: Zoning Regulation Bylaw, Amendment Bylaw (No. 1018) - the rezoning of the land known as 1315 Richardson Street from R1-B Zone, Single Family Dwelling District, to the R1-B-GS2 Zone, Single Family Dwelling with Garden Suite District, to permit the construction of a garden suite.

Our address is 1310 Richardson Street and we live across the street from the proposed development. We are in favour of this change and we feel that the construction of this garden suite would be an improvement to our area.
