Subject: Thank you for your submission - City of Victoria - Address Council Form

Name: Kelly Kurta **Date:** July 09, 2015

Address: PO Box 35107 RPO Hillside

I wish to appear at the following Council meeting: July 23, 2015

I represent: Greater Victoria Festival Society

Topic: 1) Council Member to sit on Board of Directors 2) City of Victoria Float for parades

Action you wish Council to take:

It would be our wish that the Council voted to once again have a City of Victoria float in both the Island Farms Victoria Day Parade and the Island Farms Santa's Light Parade. This tradition has been absent since about 1994 when the City of Victoria float went to Vancouver and it was not determined if it was on loan or if it was sold. From 1985 through 1995 a member of Council from Victoria, Oak Bay, Saanich and Esquimalt sat on the Greater Victoria Festival Society Board and communicated requests for events; coupled with funding towards the facilitation of these events. We would like Council to once again provide a member to attend our meetings so we can collaborate on the needs for the City of Victoria economic development.
