Subject: support of application - 1049 Richmond Avenue

Dear Leanne....

I am emailing to support my neighbour's application for rezoning his property at 1049 Richmond Avenue. I have seen the original plan as well as the modifications. I am totally in support of the concept of 'in filling' of larger lots and have seen 4 successful 'builds' in my immediate neighbourhood. They have all worked well.

Please consider this a support for their plans.

Sincerely,

Lynne Moorhouse
