

Dear Neighbour,

We, at 1143 Grant Street (Jennifer & Fabiano Di Fabio) would like to build a small wooden deck in our backyard. Currently, we are only permitted to build a deck of 4 feet wide due to a setback (the distance required from our back fence to our home). We'd like to build a deck 10 feet wide; thus, we are asking for your support to build this extra 6 feet.

Please sign below if you support us in constructing this deck.

I Michael & Sabrina Shea (print name) support the Di Fabio's in building this deck.

OR

I _____ (print name) do not support the Di Fabio's in building this deck.
