

GOVERNANCE & PRIORITIES COMMITTEE REPORT
FROM THE MEETING HELD JULY 2, 2015

For the Council Meeting of July 9, 2015, the Committee recommends the following:

1. **Pandora / Johnson Cycling Corridors – Public Consultation / Recommended Design:**

1. That Council endorse the design and construction of a two-way fully protected bike lane with traffic signal changes on Pandora Avenue, and marked bike lanes on Johnson Street.
2. That physical separation used in the design be primarily parked vehicles and bollards, with enhanced separation (concrete islands) used at bus zones, mid-block crosswalks, and at the approach to intersections where parking is not permitted.
